

GRAVITY

Materials

3 Large paper clips

Paper helicopter

Stopwatch

What To Do

1. Hold the helicopter at shoulder height.
2. Use the stopwatch to time how long it takes the helicopter to fall to the ground.
3. Repeat twice.
4. Add a large paper clip to the bottom of the helicopter.
5. Repeat steps 1 - 3.
6. Repeat with 2 and 3 paper clips on the helicopter.
